

ASSEMBLY INSTRUCTIONS FOR:

GO GREEN

SUPPLIES:

Scissors
Foam Core
Spray Adhesive
Velcro (white or clear dots work best)

1

Print the Game board. Recommended size is 24 by 36. Adhere the print to a foam core board. I use Scotch Super 77 adhesive spray, but any glue should work.

2

Print the Game pieces and cut them out. Final game piece size should be 4 x 4 inches. Mount each piece to a 4x4 piece of foam core.

3

Attach one side of the velcro to the center of each image on the backboard, shown here with white X's.

4

Place a piece of Velcro on the middle of the back of your game pieces.

VELCRO

YOU'RE FINISHED!
